## A Brilliant Beijing Brochure

*A traveller had visited Beijing and had enjoyed her experience so much she brought home a few brochures from the hotel to show her family and friends. A member of the family knew of someone who could translate Mandarin to English. It has been translated directly, word for word. Please continue to read if you wish to have a giggle!!!!*

**Getting There:** Our representative will make you wait at the airport. The bus to the hotel runs along the lake shore. Soon you will feel pleasure in passing water. You will know that you are getting near the hotel, because you will go around the bend. The manager will await you in the entrance hall. He always tries to have intercourse with all new guests.

**The Hotel:** This is a family hotel, so children are very welcome. We of course are always pleased to accept adultery. Highly skilled nurses are available in the evenings to put down your children. Guests are asked to conjugate in the bar and expose themselves to others. But please note ladies are not allowed to have babies in the bar. We organise social games, so no guest is ever left alone to play with them self.

**The Restaurant:** Our menus have been carefully chosen to be ordinary and unexciting. At dinner, our quartet will circulate from table to table, and fiddle with you.

**Your Room:** Every room has excellent facilities for your private parts. In winter, every room is on heat. Each room has a balcony offering views of outstanding obscenity!... You will not be disturbed by traffic noise, since the road between the hotel and the lake is used only by pederasts.

**Bed:** Your bed has been made in accordance with local tradition. If you have any other ideas please ring chambermaid. Please take advantage of her. She will be very pleased to squash your shirts, blouses and underwear. If asked she will also squeeze your trousers.

**Above All:** When you leave us at the end of your holiday, you will have no hope. You will struggle to forget it.

## BLAST FROM THE PAST

Extracts from IDLE CHATTER

Extract from IDLE CHATTER NO. 178

THURS. JUNE 15<sup>TH</sup> 1962

*DOC BLAMEY. I am indebted to Mrs A Kerr for some news about “Doc”. The rumour that he had suffered another stroke is definitely false. It would appear that he is progressing quite well. He was off colour a few weeks back but this was attributed to the fact that quite a few children were in the house. These gave him a lot of pleasure but tired him rather badly. However I am assured that he is getting on with his exercises and that he is not one half as bad as rumour would have it. Mrs Blamey is also well and to both Doc and Mrs Blamey I send kind regards. Did anyone tell you Doc that your photograph hangs in the Bowling Clubhouse? It is a really good one and one can almost hear it saying “Have you heard this one”.....*

*CONGRATULATIONS. To Miss Joan Goodger who reaches the grand old age of 21 this weekend.*

*BITS AND PIECES . Now those bist and pieces that get copied for inclusion in the local papers. Yes, that remark goes for you too Curly. Mr Ned Sommerville has returned to his many duties at the Bowling Club after a holiday of three weeks. He states “That he finds little difference”. Now that can mean three things. One, that his wife has been making him work during the holiday, or two, that the greens look the same as when he left, or three, that his life is one long holiday. I don’t know which is the right one? Ask him...*

*The proposed water scheme for Quandialla is meeting with approval from the most unexpected places and it seems to me that all that remains is for the Council to get a move on..... (Buy our History Book and find out what happened with this water scheme)*

Cheers everyone.....**Sue Priestley**
