## MY APOLOGIES

I was at a bit of a loss as to what to put on the front page this week.

So I took a look at past Idle Chatters and realised

I needed to address something that I had said,  
in Idle Chatter No: 120 – Thursday 13<sup>th</sup> November 2014

I made the following statements:-

## STILL WINDING DOWN

*I'm still coming off a high from our Centenary Celebrations and I'm having difficulty in settling down to get my other 101 jobs done. At the moment I feel that I'm walking around in circles.*

*However as soon as I get my house in order so that it no longer looks like a warehouse with piles of paper and boxes of merchandise sitting in the middle of the floor. I will return all photos, USBs', books etc that have been lent to me – it is on my "To Do List".*

## TODAY

*My apologies to everyone that lent me books, photos etc.*

When I wrote that I would be returning everyone's items in November last year, it was definitely my intention to do so. But somehow life 'post Centenary' set in, with everyday life, a new grand-daughter, community commitments, idle chatter and working, this particular job has slipped to the bottom of my "To Do List".

You would think that it would be very simple to bundle up everyone's bits and pieces. BUT, I was hoping to make copies of these items, especially those that didn't make the book. Our Committee hoped to collect all available photos, newspaper items etc for further references for the future generations.

*Please be assured your items are very safe and WILL BE returned, I have finally perfected the use of my new hand held scanner, so hopefully it will be soon.*

**CONGRATULATIONS** – *Our congratulations and best wishes to Mr & Mrs Ross Causer on the arrival of a brand new daughter. I’ve had my 007 spies on the job but they are, as yet, unable to come up with the name.*

**TENNIS** – *A team which should have included eight men was reduced to four for the away match at Weelong last Sunday. Despite this, a victory was gained and it is to be hoped that there will be a better attendance for next Sunday’s match against Hampton Court at Wyalong. Remember fellows, your non-attendance causes your Secretary a certain amount of embarrassment and is not conducive to obtaining further interesting away fixtures.....*

**FIELD DAY** – *The field day which was to have been held at Stan Nowlan’s property this Wednesday has been postponed, I believe until September 21<sup>st</sup>. Steady rain was falling when the announcement was made and I cannot imagine anybody being upset because of the rain. For the “Beef Cattle” field day remember the new date.....*

**THE FAIR** – *I am in receipt of a screed too late for last week, about the Methodist Spring Fair. This will be held on Friday September 9<sup>th</sup>. Its location will be the Memorial Hall and it is due to commence at 2pm. There will be stalls such as sewing, produce, cool drinks and of course the indispensable afternoon tea. One of the novelties will be “Ye Olde Curiosity Shoppe”. If YOU have anything old which you think might be of interest to others, make an exhibit of it. Votes will be on sale at 1c each to decide the winner of a nice trophy.*

Cheers until next week ..... **Sue Priestley**
