THANK YOU

As most of you know, Murray and I are about to leave Quandi to start a new chapter of our lives in Young.

This wasn't an easy decision for us – especially Murray, as we have both spent so many wonderful years here – 40 for me and over 70 for Murray who was born in the hospital in Glasson Street. Our children have now grown up and moved away but they will always have fond memories of their carefree happy childhood in this close knit community.

Murray and I have made so many wonderful friends over the years and we would like to thank each and every one of you. This small town's generosity and caring concern has been made so clear to us so many times over the years – especially when Murray has been unwell. The phone calls, offers of assistance and care people have shown us has been amazing.

We have also been so lucky to have such fantastic neighbours – always there when we have needed them. We will take with us many fond memories of a great community and wonderful friends.

We will miss you all and the kettle will always be on and the scones hot for anyone when they call in to say hello in Young.

Once Again Thank You – Murray & Bev Anderson

P.S. Murray and I would like to welcome new owners Jamie & Pauline Barlow who will be moving into Quandialla soon.

THANK YOU: Dorothy and Bryson Troy would like to thank everyone for the wonderful support for their “Biggest Morning Tea” on Wednesday 27th May.

THANK YOU – In this day and age when the main sentiment seems to be that of “Blow you mate, I’m alright”, it is most refreshing to find someone wanting to give you something without a tag attached. The members of the local RSL invite you very sincerely to attend a dance in the clubroom on the night of November 11th (Armistice night). They do not stress the point, but it is quite free. You may well ask, “Why free” and you will be told that it is in appreciation of the wonderful support that has been given by the people of this district to that most worthy cause, LEGACY. So will you allow the members of the RSL to thank you by attending in full force on this night which they call “Appreciation Night”.

ODDS & ENDS – A commission home is vacant following the departure of the Luck family. Councillor Hughie Russell can be approached re this matter. ----- I strolled around the burg yesterday and was surprised to see so many gardens looking so well. Mrs Causer’s of course won the competition and is probably looking better now than when it was judged. Mrs Hope’s does not show colour but does reflect a lot of hard work and is quite pleasing. Mrs Marris’s efforts are most colourful and the whole set up is a credit to both her and Fred. Of course the CWA is a very fine example to others. The person responsible for that effort was seen busily chipping the weeds away from the steps of the Memorial Hall the other day, and that does nothing but shames me and I hope others.

P.S. I’ve just seen another garden which I can safely state is the neatest. Not so much colourful but tidy, Mrs Sommerville in Second Street. I think you will agree with me. ----- The children who use the Park will surely thank Bill McDonald for efforts with a lawn mower. Bill reminds all of you that Bushfire fees are due and for the town the fee is just one dollar.

Cheers **Sue Priestley**
