Remember This!!!!

WE'RE OK

JUST CHECKING THE RAIN GAUGE!!!!

Twelve months ago, the above joke appeared in I.C. No: 214 along with an article on the flooding our area and other farming districts were going through.

Remember when it was so wet underfoot in September 2016 and getting to town was a hit and miss affair. We seem to always go from one extreme to another, either too much rain/flooding to asking, "when is it going to rain again?"

The life of a farmer is good one – but the weather is a tough boss!

A Great Success Socially and Financially

*A wonderful night was had by all who attended Macey's Ball.
The hard working, Ball Committee will be having a meeting this week to finalise all aspects of the ball and there will be a full report in next weeks' newsletter.*
