*The following poem was written by a young person from our district in
recognition of the sacrifices made by so many all those years ago.*

We Will Remember Them

The worst is still to come
Let the brightness of the moon shine on those who are gone
Let the trumpets blow
At the going down of the sun we will remember them
Remember the brave bold and strong
Remember the ones who gave their lives for us
Remember the ones that live today that have been there once before
Remember the men and women who died in that terrible war
At the going down of the sun and the rising of the sun
Bring the flag to half-mast once again
Pray for them
Remember the brave ones who wore the Australian flag on their uniforms
And still do today
We will remember them
Amen

FOOTBALL – Bribbaree and Quandialla members of the Rural Youth movement, flushed with their victory against Caragabal, who so rashly threw out a challenge, have now joined forces with the Caragabal members and have now issued yet another challenge, this time to the members of the Grenfell Club. This game which bids fair rival to the Maher Cup in interest - will be played at Quandialla on Sunday August 7th. Your attendance and support will be appreciated by the players. This game will no doubt stir-up some memories of days not so long past when the Georges, Reeves, Causers, McCabe, Powderly, Sinclairs, Nixons (to name just a few) made up a team which was well-nigh invincible.....

DANCERS & PRANCERS – They did not dance, neither did they prance, these tennis players. A team to go away was not available and the fixture was abandoned. It appears to be quite a complaint with all sporting bodies. An over abundance of starters for the home matches but a sudden mysterious shortage when travelling is necessary. Of course with the weather such as it is, Flu could be a contribution factor. I am not sure of this but I believe the next fixture is at Temora next Sunday. Please check on this before making arrangements and it is to be hoped that a full team will be available.....

*STUPID – Any dimwit that will leave on a trip with a petrol gauge showing empty, is deserving of any tribulation which may follow.....
Such idiotic carelessness earns for the culprit (a) a long wait for a car which never came and (b) a long walk which seemed never ending, and then suffer the barbed insults from the superior types.....
P.S. I bet I look next time!!!!!!!!!!!!*

Until next week - Cheers **Sue Priestley**
